

# INVITATION

## Nordic Championship for Flatcoated Retrievers 2023

**NCFCR**  
Nordic Championship  
Flatcoated Retrievers

The Swedish Flatcoated Retriever Society warmly welcomes the best Nordic Flatcoats and lots of audience to follow the Nordic Championships Team competition September 30:th. The event will be hosted at Kjesäter castle in Vingåker where all accommodation and dining will be held during the weekend.

The team competition will consist of two teams with three dogs from each Nordic country bringing in 24 dogs from the Nordic countries. In addition to these dogs, we plan to invite team/teams from other countries to develop the FCR community also outside the Nordic countries. These non-Nordic teams will be competing on the same conditions as the Nordic teams but will not be part of the NCFCR 2023 championship.

The championship is hosted during the Swedish "Super weekend" for FCR and will bring the opportunity to participate in an official B-trial Elite (unlimited entries) as well as an official A-trial for those who are qualified.

<b><u>Championship</u></b>	<b><u>Place</u></b>	<b><u>Date</u></b>
NCFCR 2023 team competition	Kjesäter Castle ( <a href="http://www.kjesater.se">www.kjesater.se</a> )	Sat 30/9
Swedish championship B-trial	Kjesäter Castle ( <a href="http://www.kjesater.se">www.kjesater.se</a> )	Sun 1/10
Swedish championship A-trial	To be decided	Mon 2/10

There are no restrictions to participate on the NCFCR team competition performed as an IWT competition, meaning that there is an opportunity to enter also if the dog has not yet reached winner class. The championship is though still on IWT/Winner class level.

To participate in the official B-trial, the Swedish championship on B-trial, the dog has to have achieved winner class level on B-Trial in their own country.

To participate in the official A-trial, the Swedish championship on A-trial, the dogs have to achieve award according to Swedish rules and regulations, and since it is a limited number of participants, also have performance to gain rank.

2023-04-14

*Hope to see a lot of FCR friends this autumn in Sweden
